I thought Patty didn't want this to be all about Pebble. Why is she sticking references to Pebble in?

Marianne -
I had a few comments on the talking points, attached.
I am going to be getting a bazillion calls from other mining companies in Alaska, the Alaska Miners Association, the NWMA, the State's mine permitting team, etc. I am assuming that it is okay for me to

respond to those calls using the talking points, or are all responses supposed to go through Rick?

Hello Folks:

Here's an updated communication plan. Betsaida and I will be talking first thing in the morning to finalize this. If you could give me your input on talking points and stakeholders who should be notified by tomorrow 10:00 am PST, I would really appreciate it. Please supply contact names and phone numbers for any additional stakeholders you recommend we notify.

We will be sending drafts of a news release and internal Q and A document shortly.

Thank you.
